Hi John.

I appreciate the detail provided. There is a lot there to read & consider which I'll be doing over the next few days.

We'll be in touch again after we do a review of things in some detail. My goal is to have an accurate and honest review so that we can have a full discussion of this from start to finish. Please be patient on that.

If you have anything you wish to advise about in the meantime, don't hesitate to reach out.

Thank you, David.
